

Welcome to Your Cornerstone Newsletter!

We want to welcome you to this exciting new ministry! Communication is the key to great relationships and this newsletter will be at the front lines of communication for Cornerstone. It will be a great way to keep you abreast of what's happening at Cornerstone and provide information in a fun and exciting way!

Our Mission Statement:

"To communicate what's happening at Cornerstone, to provide information on church events and activities, to highlight ministry activity, and to bring people together."

What's going to be in Your Newsletter?

Your Newsletter will have a series of articles that will be in there every month. There will be the Youth page which is a mix of the Youth group and Between Girls, The Ministry of the Month, Dreamers Circle/Connect a Dream, and What's Happening in the upcoming month. There will be other articles based on what happened during the previous month and any special events that occurred.

This is also your newsletter and should you feel the urge to write an article about your church make sure it is 200 words or less and feel free

to submit it to any one of the Team members. They will be sure to get it to me for publishing. Then based on space and article priority we will work on fitting it in. Again this is Your Newsletter and we want to keep you informed on what's happening in **Your** church.

Don't forget to add your email address by going to www.cornerstonenl.com/newsletter so you get the email alert when the next monthly newsletter gets posted, which will be January 1st 2012.

Thanks for being a part of **your** church and newsletter.
